

First Grade Birthdays

This year our class will be participating in a whole class birthday party! Instead of bringing in treats and trinkets ON your child's birthday, we will choose one day to celebrate EVERY student's birthday in our class.

How it Works:

- 1. On your child's birthday (or half-birthday for students whose birthdays take place over summer break), our class will still sing to your child and make sure they are celebrated!**
- 2. On a date in the middle of the year, we will have one big whole class birthday party.**
- 3. On this date, students will have the option to bring in small treats or trinkets to share with the class. We will do some birthday games as a class and students will have the opportunity to make birthday cards for their classmates.**
