

All About Me Assignment

For your first grader's first homework assignment, he or she will be completing a digital all about me assignment! The All About Me assignment is due **Friday, September 3.**

1. On your device, visit <https://classroom.google.com>
2. To log onto your child's account you will need to look at the sticker on the back of his or her blue folder. Your child's email is the student username followed by @hpsstudents.net.
3. On the Google Classroom, find the All About Me document. These are the slides we will share with the class when your child is start student. Add pictures and type in the areas you see the bright green highlighter.

This assignment is a great way to familiarize everyone with Google Classroom and make sure we are all connected here. I am also able to send home a paper copy so please let me know if you need that.
